## FOREWORD

To you, the students of Susquehanna University, we, the Editors present this 1940 LANTHORN for more than a mere photographic study of our college life. For our cover design and general theme we have chosen the ivy leaf—the symbol of deep-rooted, lasting friendship.

To you, the fraternity men and sorority women, we offer this symbolism as a challenge to rise above your petty inconsistencies which hamper a normal, natural college life. Only in this way can you win admittance to the school of Better Understanding and take with you memories of a glorious Susquehanna.

## Senior Class History

Vivid in our memories is the sixteenth day of September, nineteen hundred and thirty-five, the day on which our class first made its appearance on the campus of Susquehanna University. In retrospect we see much that has enriched our lives.

Our freshman year consisted mainly in our becoming used to the new life. Events such as the "get-away," inter-class athletic events, and fraternity and sorority affiliations characterized our first year. Some members of the class of '39 were already figuring prominently in various school activities.

The following year, we returned to Susquehanna as upper classmen and rapidly to the opportunity to impress our superiority upon the freshmen. However, in the traditional soph-frosh football game, we were forced to accept defeat after a hard fight. The remainder of our second year was spent in looking forward to the next year with its Junior Prom, LANTHORN, and other activities.

We feel that in the "Prom" and our Year Book, we have given succeeding classes something at which to aim. Both were eminently successful. Individuals in the class were recognized as leaders upon the campus. Athletics, journalistic endeavors, social life, and fraternity and sorority activity were some of the fields in which we were occupied. Our third year was certainly one of fruitful productivity.

Now that we are seniors we stand as it were upon a balance. We are reluctant to give up college days—and yet we look forward to graduation and life. Unbreakable ties have been formed between ourselves and our Alma Mater. We hope that the class of '39 has contributed something to that general fund which is Susquehanna University.

## Junior Class History

It was in the fall of nineteen hundred and thirty-six that a vigorous group of individuals entered the honored portals of Susquehanna University. After the usual period of orientation, parties and dances this group was gathered together and was given the name of freshman. From the start our class was active and gave promise of contributing a great deal to our Alma Mater. We were successful in conducting our "get-away" without the immediate interference of the sophomores. Our revenge, for all the regulations and other humiliations which we suffered at the hands of the sophomores, was made complete by our victory in the Frosh-Soph football game. In January many of us affiliated ourselves with a fraternity or sorority. Later, we presented a three-act play which was pronounced a success by all that attended.

The zeal of our freshman year was not diminished on becoming sophomores. We aided the freshmen in orientating themselves and were very careful to see that they observed all the freshmen traditions and customs. We further showed our superiority by defeating the freshmen in football, thus keeping our record clean. The Sophomore Hop was given in the spring. It was the first affair of its kind that had been given on this campus for a number of years. It proved to be such a success that it is likely that it will become an annual event at Susquehanna.

Our junior year finds us a little more settled, but still a dominating figure on the campus. We are sure that this will be a year that shall live in our memories for a long time. We are all looking forward to the Junior Prom which promises to be the nicest social event of the year. We are also anxiously awaiting the day when we may proudly present the LANTHORN, our yearbook, to the school.

## Sophomore Class History

Becoming hazier as the days roll by is the memory of our first few weeks on the campus of Susquehanna University in September of the year nineteen hundred and thirty-seven. However, we search the back of our minds and seem to recall the fêting bestowed upon us by our ever-so-willing, more experienced brothers and sisters.

We soon learned, though, that our rivals, the sophomores, were not so anxious to co-operate as they had seemed at first for they took special delight in thwarting our well-laid plans for a "get-away." Then, they proceeded to add injury to insult by defeating us in the annual sophomore-frosh football game by the impressive score, 22-7.

Throughout the ensuing months we took our places in athletics, scholastic achievements, and extra-curricular activities along with the upperclassmen.

Approximately twelve months after our first appearance, our slightly diminished ranks again took the campus by storm, determined to better our records of the previous year. To a certain extent, we gained revenge for our early setbacks by "sitting-in" on the freshman "get-away" and "sitting on" the freshman football team, 13-0.

We are busily making plans to continue the custom of having a sophomore "hop," a policy which was so nobly inaugurated by our worthy predecessors, the class of '40.

Thus we near the half-way point in our stay at Susquehanna, hoping that our affiliations and ties with our Alma Mater will remain as strong as they have been during the past two years.

## Freshman Class History

With a superior feeling we now look back upon our first few days spent at Susquehanna. It was on September the twelfth that many of us set foot on the campus for the first time. Then followed many assemblies in the chapel and conferences with the faculty. Parties, dances, and examinations throughout the months helped to complete our orientation.

Now that we have been here nearly a year, we look back over a few important incidents. Our "get-away" as freshmen was thwarted by the crafty sophomores. To add insult to injury they defeated us in the annual Soph-Frosh football game, 13 to 0. However, these defeats did not deaden our spirit; instead they only served to strengthen us for our future problems. We also recall our Freshman Dance—and it was on that memorable night when many of us blossomed socially.

As we near the end of this first year spent at Susquehanna, we feel that we have formed bonds of friendship with our fellow students which will never be broken. We feel that as the years go by these friendships will recall to our memories many of the happy incidents in our college life.

## Motet Choir

This year the Motet Choir completed its sixth year of organized singing. The choir has won a place of national prominence for Susquehanna in its winning of second place in the nation-wide Choral Quest conducted by the Columbia Broadcasting Company last spring.

The annual tour which the Choir undertakes includes many of the largest cities of Pennsylvania and those of neighboring states. All of us can be proud of this organization which is indeed outstanding in the field of *a capella* music.

## Symphonic Society

This musical organization is concerned with a presentation of a musical repertoire including string and wind instruments. It develops within those who participate a love for this type of instrumental music as well as an appreciation for it among those of us who are interested in this art.

MR. ELROSE L. ALLISON, *Director*

## Band

The University Band brings to the students of the school an opportunity to enjoy the better type of music in a specialized field. Delightful renditions of the works of the great composers are presented at the annual spring concert.

# Football

Last fall the Susquehanna University football team started its fourth season under the direction of Coach Amos Alonzo Stagg, Jr. An abundance of lettermen returned to the campus but it was seen that the loss of Co-captains Peter Shuty and Harry Swope, along with such capables as Diffenderfer and Stouffer, would be keenly felt. However, with the veterans, who were captained by Junie Miller, it was thought that the Crusaders would be able to win games under the tutelage of Coaches Stagg, Pritchard, and Lawson. The Orange and Maroon team engaged in a heavy seven game schedule and in almost every case the odds seemed to be against them, except in the season's finale.

Soon after the season got under way, Junie Miller was lost for the rest of the season from a severe knee injury and as a result of the loss of the captain, Bob Bastress, fleet-footed halfback, was forced to carry the brunt of the running attack. The loss of Miller left the Crusaders without a capable line plunger, and on many occasions several yards would have meant first downs and scores for the locals.

A heavy line featured the local grid combination. Fletcher, Lewis, and R. Matthews gave the Staggmens powerful tackles; Keil, Templin, Mervine, and Eisenhart made the inner defense strong; while Pritchard and Detrick held down the wing positions for the second straight year.

In the opening game of the season, the Orange and Maroon traveled to Philadelphia and encountered the gridders of Haverford College. The home team took the lead on the first play of the second quarter by scoring on an end run from the Crusaders' twenty yard marker. Their try for the extra point was successful and the Main Liners held a 7-0 lead. The Staggmens, however, staged a quick comeback and led by Bob Bastress advanced the ball deep into enemy territory where Pritchard scored on a pass from Bastress. The try for the extra point failed. The Crusaders' only other chance to score came in the third period when Fletcher blocked a punt and downed it on the Haverford twenty, but the threat was stopped when a bad pass from center produced a fumble which was recovered by Haverford.

Susquehanna outplayed their opponents in every department of the game as they tallied fourteen first downs to their rivals four, but were unable to push the ball over the goal line. The play of Miller, Bastress, Kaltreider, Keil, Fletcher, and Greco were bright spots for the locals.

In the annual Parent's Day game, the Drexel College Dragons completely outclassed the Crusaders in all departments. Their weight and experience proved too much for the Stagmen and the final score ended 19-3 with Susquehanna on the short end. The visitors scored twice in the second period after Tom Lewis had put the home team in the lead with a field goal from the twenty-three yard line. The Dragons were held scoreless during the third quarter but struck again in the final period to make the score 19-3. Lewis, Bastress, Greco, and Pritchard played well for the Stagmen. Pritchard distinguished himself by making over half of the tackles which the locals had occasion to make during the final half.

After a well earned week's rest, the Crusaders again took to the road and met Alfred University at Alfred, New York. This game with the Saxons was the first night game ever played by a Susquehanna football team. Handicapped by their lack of experience under the arcs and also by the methods employed by their opponents who were accustomed to the artificial light,

the Crusaders fought fiercely to score but were unable to come within striking distance of the goal line. On three occasions the Saxon fullback, Gardner, plunged over the Susquehanna line to score. The final score revealed the Orange and Maroon gridders on the short side, 19-0. The superb kicking and running of Bastress helped stave off several Alfred threats, while Rishel did some great defensive work in backing up the line.

The Greyhounds of Moravian College were present on the campus to help celebrate the sports program of the annual homecoming. Soon after the opening whistle the Crusaders scored when Sam Fletcher blocked a Moravian punt and raced thirty yards for a score and Lewis converted the extra point to put the Stagmen out in front 7-0. The visitors countered, however, and advanced the ball to the Susquehanna thirty-five from which point the visitors' fullback, Fritchman, raced for a score. Later the same man shook loose several local backfield men and skirted the sidelines for forty-five yards to score standing. The locals tried every offensive weapon in their power during the second half but were unable to score. The final count revealed the Susquehanna lads on the short end, 13-7.

The final home game of the 1938 season featured the "Flying Dutchmen" of Lebanon Valley College. The visitors proved

themselves superior in every department of the game and tallied sixteen first downs to the Crusaders' eight. Bob Bastress, however, made the longest run for the locals for the season when he broke through tackle and raced eighty-five yards for a score. Throughout the game the Orange and Maroon passing attack was hampered by the rain which descended. When the final gun sounded the visitors led 20-7.

The superb broken field running of Padjen, Dickinson full-back, kept the Crusaders from being a serious threat to the home team as the Orange and Maroon traveled to Carlisle to meet an experienced Dickinson College lineup. Four plays after the opening kickoff the Red Devils scored as Padjen raced thirty yards and promptly kicked the extra point. The Stagg line held the home team at bay throughout the second period and threatened early in the second on a pass from Bastress to Pritchard who lateraled to Herr. The ball rested on the Red Devil twenty but a fumble stopped the opportunity. The heavy and experienced Dickinson team proved too much for the Crusaders during the fourth period as the homesters pushed across two touchdowns to win the game by a 19-0 score. Bastress, Pritchard, and Templin were the bright spots in the Orange and Maroon attack. Bastress played a wonderful offensive game, his

triple-threat tactics meriting him a place on the Dickinson all-opponent team.

In Brooklyn, N. Y., amid a sea of mud, the Crusaders defeated Brooklyn College 14-6. This victory was the first for Susquehanna since the 1936 season. Soon after the contest got under way, the Crusaders produced an eighty yard drive which culminated late in the first period as Bob Bastress scored from the Kingsmen ten yard line. The diminutive backfield star of the Crusaders then cut off tackle for the extra point to put the Orange and Maroon in the lead. Late in the second quarter, by virtue of the aggressiveness of the Stagg line, Ed Eisenhart recovered a Brooklyn fumble in the end zone to make the score 13-0 and Lewis booted the extra point to give the Susquehanna lads a distinct advantage. In the third period Brooklyn tallied their only score as Silverstein raced sixty yards for a score. From this point to the end of the game both teams were unable to do much offensively due to the condition of the turf.

At Brooklyn, five seniors competed in their last game. Henry Keil, Bob Bastress, Bob Herr, and Louis Baylor saw action for their final time under the Orange and Maroon. Captain Junie Miller was unable to be in action due to an early season injury.

# Basketball

This year's Crusader cage squad compiled the most glorious record of Coach Stagg's tutelage, and marks one of the few successful years that Susquehanna has experienced on the court in the past decade. When the season was completed, it was discovered that the Crusaders had amassed ten victories out of sixteen contests.

Coincidental in the record is the fact that a trio of defeats was suffered in the first three games of the season, and the remaining three on foreign boards against adversaries who had been defeated previously in the season.

One outstanding obstacle to even a more enviable record was the lack of reserve material. During the entire season the squad included only nine men, and each was required to be a virtual "iron man" in order to meet the strength of the opposition.

Bolstered throughout the season by the scintillating performances of Bob Herr and Don Ford, the Crusaders presented a smooth working combination, but these individual players kept the squad balanced on the floor.

The first three games of the season saw Susquehanna go down to close defeats at the hands of Bucknell Junior College, Upsala, and Penn State, but the Dickinson Red Devils met a different style of basketball when they

invaded the campus. The game was nip and tuck throughout, and the outcome was not final until the concluding whistle signaled that the Crusaders had won their first victory of the season, with Benny Gould and Bob Herr alone accounting for twenty-five of the victor's points.

Although not registered as a victory for the home team, the Hartwick game was the most exciting of the season. Each team displayed "fire engine" basketball and the fracas ended with the score even. In the extra period, however, the reserve strength of the visitors showed itself, and the Crusaders were forced to nurse another loss.

Elizabethtown was the victim of Susquehanna's lone twin victory of the season. It was in this home game in which two freshmen, Phil Templin and Dave Murray, gave such good accounts of themselves. In the return game the E-towners were unable to stop Bob Herr, who scored nineteen points, and the local boys encountered little trouble.

For the first time in seventeen years Bucknell suffered a defeat from Susquehanna, and this year's victory was a decisive one. The blast of speed with which the Crusaders began the game was too much for the Bisons, and they were not able to overcome a thirteen point difference at half time. It was in this game that Ford, Templin, McBride, and Herr each scored twelve points apiece.

In the return game, Bucknell gained sweet revenge to even the series. Coming from behind at half time, the sharpshooting of Doblin and Nolan provided the margin of victory in spite of Susquehanna's determined stand in the waning minutes of play.

Juniata was the next guest to go down to defeat in the Alumni gymnasium. The Indians from Huntingdon kept a substantial lead until the final quarter, when the Crusaders displayed some of the fastest basketball and most accurate shooting of the season. The Freshman center, Phil Templin, garnered eighteen points in this game and Don Ford, the fleet Sophomore, fourteen.

In the return game, Juniata severed Susquehanna's six game winning streak. The Indians forged ahead during the first half when Bob Herr was injured in the opening minutes of play, and held their lead until the final whistle. Don Ford romped off with scoring honors in this game with twelve points.

Wagner College brought a snappy passing attack from Staten Island, but even this was not enough to overcome the scoring spree of its competition. The game was never close, and the victor was never in doubt, as Bob Herr and Phil Templin piled up a lead for the Crusaders.

Invading the Greyhound gym, Susquehanna again regressed to its "away-game" complex, and bowed to a strong Moravian combination. The game was close during the first half with Moravian having a two point advantage midway. During the second half, however, the Crusader mainstays, Herr, Ford, and Templin, were dismissed from the game and the Greyhounds piled up an eleven point lead. When he was forced to leave the game, Don Ford had already gathered scoring honors with nineteen counters.

In the return match, the Crusader combination opened up with everything they had and gained sweet revenge when it trounced the Greyhounds. This game really showed superb teamwork, with the points being evenly divided among the nine players.

Scranton-Keystone showed little opposition to the Crusaders in their visit to the campus. With Bob Herr and Phil Templin leading the attack, the team ran rampant over its rivals.

Heralded as the only undefeated team in Pennsylvania, Wyomissing Polytechnic Institute invaded the Alumni gymnasium and left nursing the wounds of a crushing twenty point lacing. The attack was led by Don Ford and Bob Herr, who were accorded unprecedented applause when they left the game in the closing minutes of play. This thrilling encounter was the final of the year for the court squad, and rang down the curtain of intercollegiate competition for Co-captains Bob Herr and Benny Gould. Don Wert and "Slatts" McBride.

The Crusaders will miss the graduating lettermen, but they leave behind them the nucleus for a team next year which should continue to balance the winning ledger of Susquehanna.
